This is an exciting opportunity for an experienced ELT professional to join the Teaching Centre Management Team at the British Council Singapore.

Our goal is to achieve high quality teaching and learning through our network of Teaching Centres across Singapore. In doing so, one of the main challenges will be maintaining high levels of teaching quality and delivering a high-quality experience at every stage of the customer journey.

As the Child Protection Coordinator, you will be responsible for leading the Child Protection National Working Group to complete the annual Child Protection Self Audit and Action Plan whilst also providing day to day Child Protection advice, support and training for staff and customers across the island and guiding a team of Child Protection Focal Points in the teaching teams.

You will also be expected to provide operational and academic support to Teaching Centre Academic Managers, Deputy Academic Managers and Product Heads across the island.

This post requires excellent communication skills, emotional intelligence and organizational skills.

Enquiries about the post should be sent to the attention of the [East Asia Teacher Recruitment team](#) based in Singapore.

**Internal candidates only:** please remember to include the full version of your most recent (2018/19) end-of-year-record of performance and also confirm when the system prompts you to, that you have discussed the application with **both** your line and centre manager.

**Interviews are likely to be held a week or two from ad closing date**

*British Council is committed to a policy of equal opportunity. British Council is committed to safeguarding and promoting the welfare of children and young people and expects all of its partners to share this commitment. In line with the British Council's Child Protection policy, any appointment is contingent on thorough checks. In the UK, and in other countries where appropriate systems exist, these include criminal records checks.*

*The British Council is committed to a policy of equal opportunity and is keen to reflect diversity at every level within the organisation. We welcome applications from all sections of the community. We guarantee an interview to disabled candidates who meet the essential criteria.*

## Local restrictions on employment

All staff members have to be registered with the Ministry of Education. To do this, the British Council needs the educational certificates and degree transcripts of the teacher/trainer concerned. You would need to request the universities or colleges for confirmation as required by local Singapore regulations. An undergraduate degree (Bachelor's) is essential.

An employment pass is issued by Immigration once the Ministry of Education has registered the staff member. The whole process takes about 6-8 weeks but the staff member concerned will be issued with a temporary visa until the process is complete. Staff members usually enter Singapore on a 3-month Visitor's Pass which they will receive on arrival.

## Centre information

British Council Singapore has four centres (Napier Road, Tampines, Marsiling and Toa Payoh) and in addition, 1-1 courses and study camps are run by the Contracts Team across the island.

The [Tampines Centre](#) is located in the east of the island in the first carbon-neutral building in Singapore. It has 9 classrooms and offers courses for preschool, primary and secondary school children. It also houses the first full-time pre-school in the region. It is a busy centre located in the bustling eastern suburb of Tampines.

The [Napier Road Centre](#) occupies its own custom built building next to the British High Commission, just outside the main tourist belt in a salubrious residential area. Here we run adult general and business English courses and courses for secondary, primary and preschool school children. The Teacher Development Centre and Contracts team is also based here.

The [Marsiling Centre](#), an 8 classroom centre, opened in June 2003, accommodates courses for preschool, primary and secondary school children. Located in the heartlands of Singapore, the centre has a strong community atmosphere. The centre is on the 3rd and 4th floor of a community centre in Marsiling, located in the north of the island.

The [Toa Payoh Centre](#) is a 15-classroom centre that opened in August 2009. The centre accommodates courses for preschool, primary and secondary school children, adult General and Business English courses. The Professional Development Centre (PDC), which runs business communications skills and management training courses, is also based here. The centre is on the 9th floor of the HDB Hub, an office and shopping complex, located in the centre of the island. The Toa Payoh area is high density and serviced by excellent transport links, with a bus interchange and MRT station within the complex itself.

We also run contracts offsite throughout Singapore for both companies and MOE schools on a regular basis.
